elemis

job# 1839001

address **125 Copperstone Close SE**
home style **front attached garage**
elevation style **Heritage**
plan type **two-storey**
bedrooms **3**
bathrooms **2.5**
total size 2137 sq.ft.

The open layout of the Elemis makes this a bright and inviting home. The main floor flex room, and large entertainment room on the second floor, makes this home feel spacious while adding to its functionality. Java stained oak hardwood and tile flooring cover the main floor. The kitchen features a central island with an eating bar, 4 black appliances and an abundance of maple cabinetry in a deep French Roast stain. This home also has a fireplace, large front foyer and a main floor laundry room with washer & dryer included. The spacious master retreat features a 4-piece ensuite with an adjoining walk-in closet.
