Ellis Wins SAM Award for Best Villa/Duplex.

The Ellis, one of Sabal's uncommonly stylish attached home designs, was awarded Best Villa/Duplex at the 2009 CHBA Calgary SAM Awards, April 17 at the Telus Convention Centre.

"The Calgary SAM Awards are the highest local industry recognition of excellence in the Calgary home building," says Kendra Milne, marketing manager for Sabal Homes. "Recognition for the design of Sabal's home models demonstrates our commitment to excellence in bringing innovative and uncommon home designs to the Calgary market."

Winning a CHBA Calgary SAM Award is the pinnacle of achievement in the home building industry and is given out in recognition for outstanding performance in home design and building, renovation, and marketing and sales initiatives.

The Ellis, which is showcased in the popular SE community of Mahogany, has an air of sophistication and appeals to people who enjoy contemporary, clean-lined home design, mixed with casual elegance. The entire line-up of attached Homes by Sabal in Mahogany offer an upscale list of standard and optional features such as hardwood and tile flooring, 30" upper cabinets, chrome hardware and 9 foot ceilings. The award winning Ellis model specifically features an open-concept design, with a grand entrance front hallway and wide staircase. An open-to-above space, and large windows flood the home with natural light.

Attached Homes in Mahogany start in the low-\$300's, with only a handful of homes remaining to purchase in the current phase. To learn more about this award winning model please visit our showhome at 18 Mahogany Terrace SE, call (403) 452-8177 or visit www.sabalhomes.com.

Sabal Homes works towards being a leader in the homebuilding industry for bringing value and enjoyment through home design, innovation, and a memorable homebuilding experience. Building for more than 15 years, Sabal is not set in its ways – always pushing forward to create some of the most innovative homes and customer experiences in the industry.
